How To Save On Heating Costs

Want to save up to 30 percent of your winter heating costs? Need to know more about how to do effective caulking, to weatherstrip doors and windows, and to apply insulation?

If you are like many Virginia homeowners, the answer is, emphatically, "Yes!"

A free "Home Energy Cost-Cutting Clinic" will be conducted at Central Virginia Community College on Saturday, November 17, from 9:30 a.m. to 11:00 a.m. The clinic, sponsored by the State Office of Energy and Emergency Services, is offered in cooperation with the Virginia Community College System. A trained instructor will show homeowners how to cut as much as 30 percent from this winter's heating costs and will provide a free packet of do-it-yourself instructions to help the homeowner do repairs and maintenance.

Participants will meet in Room 2123 (Amherst Classroom Building) at CVCC.

Persons who wish information about the clinic may call the CVCC Office of Continuing Adult Education and Community Services at 239-0321, extension 210.

Va. Department of Welfare Is Announcing Changes

The Virginia Department of Welfare is announcing changes in its Support Enforcement application fee policy for non public assistance (PA) applicants, effective November 1.

Support enforcement services, which include the location of an absent parent, paternity establishment, support enforcement and collection, are mandatory in situations involving Aid to Dependent Children (ADC) funds.

Federal law requires that the ADC recipient cooperate in finding the absent parent and assigns support collection rights to the Department as a part of their ADC eligibility.

At present, approximately 10 percent of the ADC cases are closed die to obtaining support from an absent parent, according to John Tyler, Support Enforcement Supervisor in the Virginia Department of Welfare.

The non PA program is designed to help the child's caretaker either before actually becoming an ADC cases are closed due to obtaining support from an absent parent, according to John Tyler, Support Enforcement Supervisor in the Virginia Department of Welfare.

The non PA program is designed to help the child's caretaker either before actually becoming an ADC client or after leaving the ADC Welfare rolls.

"This program is designed to help the Virginia family get off and stay off welfare," Tyler said.

Prior to this new ruling, the Department charged an application fee in non PA situations based on an income and resources scale. After exhausting this fee, additional charges at the rate of $15 an hour were applied against collections and an additional $1.50 transaction fee was deducted for each support payment processed.

With the new rule, the client pays the one time only application fee. The fee is set from a sliding scale that assesses income, other financial resources, family size, and locality of residence.

For locating an absent parent, there is a minimum fee of $45. There is no fee ceiling on the sliding scale for support enforcement and collection activities.

The assignment of collection rights is not a requirement for the non PA applicant, but the extent of services which can be provided is determined on whether or not an assignment is in effect.

When there is an assignment of rights, the level of services available to non PA applicants is the same as those available to ADC recipients with the exclusion of the use of the U.S. District Courts and the Internal Revenue Service.

When there is no assignment of collection rights, neither the administrative support determination nor the administrative enforcement remedies may be applied. An assignment of rights is never executed for cases in which locate services are the only services requested.

Application fees are not charged for persons who have received ADC benefits within the previous 30 days, for state/local foster care cases, or for out-of-state non PA cases.

In order to qualify for support enforcement sevices, the non PA applicant must:

- be a Virginia resident parent or guardian of at least one child under the age of 18.
- file a written application for services and certify in writing, under oath, that such application is made solely for the purpose of establishing paternity or securing support.
- pay a non refundable application fee, if required.

For further information, contact Regional Support Enforcement Office or local welfare agency.

"WHERE ARE MY BLOCKERS", says Mark Kelso as he sees only white jerseys converging on him in action against Buckingham Saturday night. Kelso was leading ball carrier for the Raiders with 85 yards on 13 carries. Raiders won game 21-8.

Raiders 21 Buckingham 8

The Raiders posted win number 7 against 2 losses Saturday night with a 21 - 8 victory over neighboring, but non-district, Buckingham.

The combination of Byron Roach and Darrell Schrock again proved to be effective as Roach found his teammate open and connected on eight passes for 111 yards and a TD. In all, Roach completed 11 of 21 attempts for 153 yards and 2 touchdowns.

Mark Kelso led the team in rushing with 85 yards on 13 carries, almost half of the teams 126 yards rushing.

In addition to Schrock's score, the Raiders points came from a Roach to Earnest Daye pass and a 4 yard run by David Doss. Terry Woods booted one PAT and Roach passed to Schrock for a two point conversion.

Defensive standouts for the Raiders included, William Scott, Robert Harding, Steve Bobb and Daye.

Raider Jayvees 26-Buckingham 0

Running back, Dennis Fleshman, proved to be an effective pass receiver as well as a runner as he hauled in 3 passes from Kevin Ferguson good for 90 yards and 2 touchdowns in the Raiders 26 - 0 rout of Buckingham last week.

Ferguson also tossed a 25 yard scoring pass to Mike Williams as he hit on 4 out of 5 pass attempts during the game for 115 yards.

Petie McIvor scored the other Raider tally with a 53 yard run in the second period.

Alan Edmonds and Rodney Bryant also got in on the action for the Raiders.

Robert Paulette, Norman Turner, Tim Bennett and Rodney Bryant led the Raider defense.

Won 3 Lost 10— A Winning Season

At first glance the headline seems to be in error, however the 1979 Cross Country team posted the best record ever at Appomattox. The three victories this year are the first since 1976.

Two impressive victories over Amherst high-lighted the season for the Raiders.

Seniors, Pete Nealey, Craig Smith, Scott Stevens, and Kenny Shorter kept the Raiders close in six of the ten matches lost during the year. These young men, the teams top four runners, improved their times 2-to 3-minutes over past years.

Under classmen, Alonzo Dillard, Ricky Caldwell, Richard Crews and Randy Richardson became more competitive as the season progressed.

Raiders In Must Win Situation

The Raiders, now 7 and 2, must defeat the Amherst Lancers, this Friday night, to have any chance for post season play-offs. A win for Appomattox and a loss for Rustburg would assure the Raiders the Seminole District wild card berth, a win by both teams and the Virginia High School League point system would be the determining factor. An Amherst win over Appomattox would send the Lancers into the play-offs.

Game time 8:00 P.M. at Amherst.

Ricky Caldwell was the most improved Raider, as he worked himself into the fourth position on the team near the end of the season. Jim Hash, Cornelius Davis and Sue Granato also made great improvement from earlier races.

Near mid-season, the Raiders lost the services of Captain Pete Nealey due to illness and a knee injury sidelined Randy Richardson and the loss of these important runners placed the Raiders at a disadvantage against the tough Seminole District teams.

With pride this team worked hard against losing odds, covering an average of 40 miles during a practice week, to field the winningest team in Appomattox history.

Raider Jayvees Have Banner Year In 1979

"Team play was the key to our success - each player was pulling for all others to do a good job", said Coach Howard Clabough who along with Coach John Pettyjohn guided the Baby Raiders to a near perfect 9 - 0 season.

Along the way, the Appomattox team compiled some rather impressive statistics, probably the most amazing one being the first team defense gave up only 6 points in 9 games and the touchdown came on a pass play.

These players included Jeff Miller, Steve Foster and Ricky Miller at ends, Robert Paulette, Tommie Robinson and Jeff Davis as down linemen, Norman Turner and Ricky Carter as noseguards, Rodney Bryant, Tim Bennett, Alan Edmonds, and Alan Hamlett at linebacker, Charles Walker, Darryl Mayberry and Kenneth Dillard at cornerbacks and Kevin Ferguson, Dennis Fleshman, Petie McIvor and Jody Williams at safety.

Fans who attended the games were also treated to an offensive show each game which added up to (1) Dennis Fleshman scored 116 points on 18 TD's and 4 two point conversions; (2) Petie McIvor scored 46 points on 7 TD's and 2 two point conversions; (3) Kevin Ferguson and Alan Edmonds each scored 32 points; (4) 10 different players scored touchdowns for the Raiders; (5) Mike Williams punted 12 times for a 39.3 average; (6) Kevin Ferguson returned punts for 188 yards, McIvor had 145 yards; (7) the team scored 285 points (31.7 per game) and allowed only 50 (5.6 per game) (8) the team averaged 280 yards per game on offense; (9) Dennis Fleshman rushed for 1,186 yards on 87 carries averaging 132 yards per game and 13.5 per carry; (10) Petie McIvor rushed for 541 yards on 44 carries for 12.3 per carry.

Making the holes for these running backs was a good offensive line which included Jeff Miller, Tommie Robinson, Robert Paulette, Greg Mayberry, Norman Turner, Jeff Davis and Mike Williams.

Raider fans will be seeing more of these young men on the gridiron during the next few years as they move up to the varsity.

Latin Club Holds Talent Show

BY JOHN JIMISON

Do you know Yolanda Miller, Suzan Eye, Allen Smith or Melinda Davis? Is so, you may not know that they, along with the four other participants in the Second Annual Latin Club Talent Show, are very talented people.

A special meeting of the ACHS Latin Club was held on November 1. for the purpose of having the talent show. Yolanda's piano solo took first place in the contest, while Suzan received second for her song on the guitar. The judges, Mrs. Lucille Ferrell and Mrs. Louise Martin, could not determine third place, so it was shared by Allen, reciting a poem, and Melinda, for her piano solo.

Also in the show were Cheryl Walton, with a performance on the piano, and a song done by Eileen O'Donnell, Dawn Pitsenberger and Kathy Parsons. Philip Jacobs was the emcee for the program.
